

Message from the Chef-de-Mission

We're so indescribably proud and honoured to not only be in your company, but also to have the opportunity to lead such a wonderful group of Canadian ambassadors.

We know how much hard work, sweat and labour has gone into making this team. We stand in awe of your accomplishments to date and we are excited for the Winter Deaflympics to begin in Italy!

In a week time, your dream will come to life as you will be at the Opening Ceremony proudly wearing the Maple Leaf. Take the time to savour this incredible journey that has brought you here.

We hope that your Deaflympics experience will be an unforgettable one in every way. You will get to know your teammates, embrace the multiculturalism of the Athlete Village life and celebrate your success. It takes work and commitment to perform in the best of your abilities.

You will create your own day in the Deaflympics history, and it will always be a part of you.

Good luck! Go Canada Go!

Danny Daniels
