

WINTER DEAFLYMPICS 2027

FROM REVELSTOKE TO THE DEAFLYMPICS

MEET ÉMILIE PAQUIN, CANADIAN NORDIC SKIER

Meet Émilie

Émilie started skiing with the Revelstoke Nordic Ski Club when she was just five years old. Since then, she has grown from the Bunny Program to Junior Development, competing in regional, provincial, and national events across Canada.

Now, Émilie is ready for her next challenge: representing Canada on the international stage. Her journey is about more than competition. It is also about inspiring other deaf athletes, growing participation in Nordic skiing, and showing what is possible when young athletes are supported by their community.

“I’m really excited to see how well I can compete at my first international competition. I’m ready for the big stage. Bring it on!”
